DETAILED ACTION

1. This action is in response to the amendment and remarks filed on March 12, 2007.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 112

3. Claims 1, 2, 4-8, 10-14, 20, 44, 45, and 47 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 1, the limitations requiring “a *hood assembly* . . . including . . . a *quick-release mechanism*” (lines 4 and 5, emphasis added) and “a *quick-release mechanism* for providing selective engagement between said support structure and said entire *hood assembly*” (lines 5 and 6, emphasis added) are incompatible. It is not possible for the quick release mechanism to both be part of the hood assembly and provide selective engagement between the support structure and hood assembly. A similar problem occurs in at least claim 13.

Allowable Subject Matter

4. Claims 22, 23, and 44 are allowed.
5. Claims 1, 2, 4-8, 10-14, 20, 44, 45, and 47 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

6. While Applicant amended the claims to address several issues raised regarding the rejections under 35 USC § 112, several points were not corrected or discussed. The remaining issues are detailed above.

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
